1.2 Please describe the work

Response

I am working on a small improvement project with Care at Home providers to raise level of awareness of the self evaluation guidance which came out in June 2022. I have a meeting 21 July with a group of providers from West Lothian to seek their views about using self evaluation. I am doing this work as part of an improvement project as part of my Scottish leadership and improvement programme (ScIL) through NES. It will involve collecting qualitative and quantitative data in the form of feedback from the providers by using AHA slides and by use of a short questionnaire. They have agreed for me to attend their forum which is organised by the Health and Social Care Partnership. I will give them a short explanation re my course and will not use their names in any of my findings. I don't know anything about the people who will attend apart from the provide care to people in their own homes.
