Dear Annette,

Care Inspectorate (SCSWIS) Budget 2014-15

I am writing to confirm formally that, as you know, Ministers have agreed that for 2014-15 the Care Inspectorate's gross budget should be **£34.034m**, to be funded from **£11.876m** income from fees and **£22.158m** grant-in-aid. This is subject to Scottish Parliament approval of the Draft Budget 2014-15, expected early next month.

A formal Grant-in-Aid letter will be issued separately in March.

Yours sincerely,

Geoff Huggins
Head of Mental Health and Protection of Rights Division
