

## Briefing to the Board meeting 6 March 2015

### Update on Performance related to the Inspection Plan to 28 February 2015

At 28 February 87.63%, i.e. 6,802 inspections were completed against a target of 7,762, a shortfall of 960 inspections.

To 28 February services have performed as follows:

Adult Services:	90.84%
Older People Services:	83.59%
Early Years Services:	89.35%
Justice and Young People Services:	76.58%

We are now focused on completing all statutory and must do inspections (determined by time and quality).

This may leave a shortfall of around 431 inspections against the annual target total of 8,465 inspections i.e. around 5% of the annual target.
