

Care Inspectorate Reservation of Powers and Scheme of Delegation – principal proposed changes – June 2017

1. References to Management Statement and Financial Memorandum changed to “Framework Agreement”
2. Removal of requirement for Board ratification / homologation for acts outwith the Scheme of Delegation undertaken in emergency by the Chief Executive. Substitution with power to act and duty to report to the Board (paras 1.5.1 and 2.3.9).
3. Change to only one standing committee (Audit Committee). Removal of reference to all other committees. Consequent changes to matters requiring Board approval (see in particular paras 2.7.8 and 2.7.9)
4. Power to Chief Executive to make changes to establishment subject to maximum cost limit (para 2.7.10)
5. Addition of para 2.9 to specify functions which are now functions of the Board, having regard to the proposed new committee arrangements
6. Deletion of para 11.1.3 as superfluous.
7. Inclusion of Food Standards Scotland in Appendix 1.
8. Minor and consequential changes
