

making care **better** together

with the Care Inspectorate

What we do

- **inspect** care services
- **grade** the quality of services
- **report** on what we find
- **take action** to make services improve

You can

- talk to our inspectors when they visit
- read the reports for your service
- find out the grades for your service
- find out about the National Care Standards
- get involved with your service - have your say
- get involved with us - help us improve care for everyone
