

IMPORTANT NOTICE – CONTINENCE PRODUCTS

As previously advised the new contract for all disposable and washable continence products has been awarded to iD Expert (Ontex) and will be changing in the near future.

PRODUCT CHANGE TRAINING PROGRAMME

To help with the smooth running of this change, several training sessions have been arranged throughout Grampian and will be held by the Bladder and Bowel Specialist Service and the new company iD Expert giving details of the new products.

It is mandatory that at least one member from each community nursing team/hospital ward/care home/residential home/agency etc. book and attend one of these sessions as this will be the only training there will be on the new products.

Equipment and Resource Packs will be provided at these sessions which will require to be signed for as proof of receipt to each area, only one per work base available.

No replacements will be possible therefore it is essential that all bases do not remove any products or paperwork from these packs.

IMPORTANT

Places to attend one of the following product change training sessions **MUST BE BOOKED** by contacting:-

Thelma Mackie, Bladder and Bowel Service Secretary

Telephone – External (01467) 672748 or Internal Extn 72748 between 9.00a.m. – 10.00a.m.
