#### New grading methodology

Prior to the Covid-19 pandemic, the Care Inspectorate inspected against a mixture of Quality Frameworks and Quality Themes depending on the service type. All service types now have a new Quality Framework in place and from 1Dec2022 we will report only under the relevant Key Questions of each Quality Framework. Where a service has not yet been inspected under a new Quality Framework the corresponding grade from the previous Quality Theme methodology will be used instead. A service's entire grading history, including grades under the previous Quality Theme methodology, can be viewed on the Care Inspectorate website. Different service types are assessed under different Key Questions as set out in their Quality Frameworks. This means it may not be possible to make like for like comparisons between different service types for all Key Questions. You can check what Key Questions each service type is assessed against at the below link:

<https://www.careinspectorate.com/index.php/publications-statistics/147-professionals-registration/quality-frameworks>

At the start of the Covid-19 pandemic, we established specific key questions focussed on Covid-19. These key questions also covered aspects of wellbeing, staffing, setting, infection prevention and control, leadership, and quality assurance. Therefore, for Adult and Early Learning and Childcare (ELC) services, we will use the information from our Covid-19 inspections (where applicable) to update grades for all other Key Questions of the Quality Frameworks.. This is a change to our approach used previously, where the Covid-19 key questions sat alongside the other key questions rather than updating them. Grades against Key Questions on new inspections will subsequently update previous Covid-19 grades as they become the latest grade for the Key Questions.

A similar approach will be taken with the Key Question 'How well do we support children and young people's rights and wellbeing?' for Children and Young People's services. Grades given under this Key Question will update grades for the other Key Questions of the Quality Frameworks. Again, grades against Key Questions on new inspections will subsequently update previous grades from the 'How well do we support children and young people's rights and wellbeing?' Key Question as they become the latest grade for the Key Questions.

This new grading methodology will be the methodology we use in any of the 'Grading' tables supplied.

## Care Inspectorate 2022/23 Quarter 3 Statistical Report Tables

## Notes:

Service subtypes are based on the main service provision category provided by that service but may not be mutually exclusive, i.e. a Care Home for Alcohol & Drug Misuse may still accommodate people within the Older People group.
Some care at home services may still operate from a premises as well as provide care at home i.e. they may, in addition to care at home, offer a day care service for adults from a premises.
All grades are from inspection reports finalised by 31 December 2022. Services with no grade for that theme are not included.
Complaints investigated and completed are those cases with an investigation undertaken by the Care Inspectorate and does not count any complaints that were revoked or still in progress. They also do not account for complaints which were passed for alternative means of resolution such as direct service action, investigation by the provider or where the information was used as intelligence to be used in further scrutiny activity.
